There are few classes over the course of the year, so the expectation is that the confirmand will make every effort to attend each class with their parent(s) or guardians. To support the instruction that is given at each class, there will be an interactive assignment posted on our website after each class. In addition, there will be a few fun activities scheduled throughout the year.

If you need to get in touch with me, please either e-mail me at dpilling@nf.aibn.com or call me at 753-1931 at the Church or 753-1610 at home.
